Pharmacology

<i>Sl. No.</i>	<i>Time (from)</i>	<i>Time (to)</i>	<i>Programme</i>					
1	7.30 am	9.00 am	Registration & Breakfast					
2	8.15 am	8.30 am						Workshop Orientation
3	9.00 am	9.30am	<i>Inauguration Ceremony</i>					
5	9.30am	11.00 am	Transcranial Magnetic Stimulation: A non Invasive technique for neural repair &plasticity Venue: Physiology Seminar Room, 1 st Floor, JAC, JIPMER	Cardiovascular function assessment Venue: AFT Lab, Dept. of Physiology, 1 st Floor, JAC, JIPMER	Ethics in research &medical practice Venue: Biochemistry Seminar Room, 2 nd Floor, JAC, JIPMER	Bio-analytical techniques (LC-MS/MS) – Live workshop Venue: Mini Auditorium, 4 th Floor, JAC	Scientific writing Venue: NTTC Hall-1, 4 th Floor, JAC	
6	11.00 am	11.15 am	TEA BREAK					
7	11.15 am	01.00 pm	Transcranial Magnetic Stimulation: A non Invasive technique for neural repair &plasticity	Cardiovascular function assessment	Ethics in research &medical practice	Bio-analytical techniques (LC-MS/MS) – Live workshop.	Scientific writing	
8	01.00 pm	02.00 pm	LUNCH BREAK					
9	02.00 pm	3.30 pm	EEG and its analysis Venue: Neurophysiology Lab, Dept. of Physiology, 1 st Floor, JAC, JIPMER	Field and laboratory techniques for exercise and sports physiology Venue: CVR Lab, Dept. of Physiology, 1 st Floor, JAC,	Electrodiagnostic techniques Venue: EP/ EMG Lab, Dept. of Physiology, 1 st Floor, JAC, JIPMER	Bio-analytical techniques (LC-MS/MS) – Live workshop.	Scientific writing	
10	3.30 pm	3.45 pm	TEA BREAK					
11	3.45 pm	5.30 pm	EEG and its analysis	Field and laboratory techniques for exercise and sports physiology	Electrodiagnostic techniques	Bio-analytical techniques (LC-MS/MS) – Live workshop.	Scientific writing	
12	5.30 pm Onwards		<i>Certificate Distribution</i>
